Product information

- Elegant track light for 1-phase track
- Push-back function with easy access to replace the light source
- With their minimalist and stylish design, the tracks are the perfect solution for lamps – whether it is pendants or track spots
- They are compatible with many systems, both available and earlier
- They are mounted easily and quickly on the wall or ceiling using the pre-drilled screw holes
- Track light, tracks and accessories are available in the colors Nordic White and Matt black

NB: Always use cables of a type approved for permanent installation according to the current legislation. If the cables are in contact with the lamp cover, use cables with an operating temperature of at least 70° C.
